

Mr. Harrison G. Reynolds  
914 Hale Street  
Beverly Farms, Massachusetts

Dear Harry:

I am distressed to hear that you have been ill and hospitalized. I hope that this will find you feeling much better and that you will be up and around again before long.

I still want to get you down here for a re-take of that presentation picture, you know.

With every best wish for a quick recovery.

Faithfully yours,

Allen W. Dulles  
Director
